Zittles:

"Zittles" are brand new words for the same old bummers—acne pimples. What can you do about them? Launch a major Zitskrieg with the unbeatable medicine in Oxy 10®: Oxy 10® Cover, Oxy 5® and Oxy 10® Wash. They all contain a potent measure of benzoyl peroxide, the very stuff that brought acne medicine out of the Dark Ages.

In fact, to kill acne bacteria and help prevent new pimples from forming, there's nothing stronger you can buy without a prescription.

Next question: How clean can you get your skin? You know all those little embedded blackheads that like to call your nose home? Oxy Clean® softens them up—helps send them floating down the drain.

Oxy Clean Medicated Pads, Cleanser, Soap and Scrub lift away dirt and oil so well you can actually prevent new pimples from starting in the first place.

So, if you're hiding your Paperbacne behind this magazine, get Oxy and get your face ready to face the world.

OXY Because zits are no laughing matter.

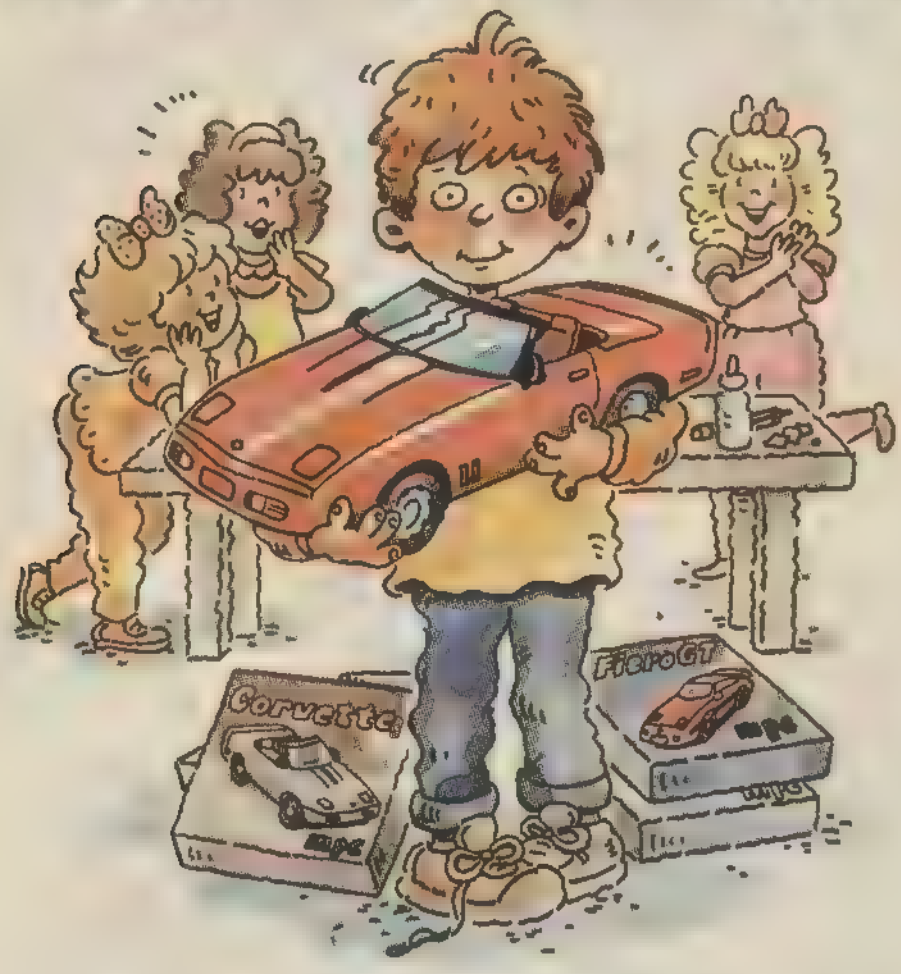
BODY BUILDER



Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC special effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.

Marvel freelance credits (present): Pencils/inks *MUPPET BABIES* — inks on *ALF* — pencil/ink on an upcoming *THUNDERCATS* — coloring all kinds of stuff.
My hobbies are: Tap dancing.
The single work of which I am most proud is: A secret.
My pet peeves are: Ugly behavior — N.Y. subways — Mayor Koch.
My place of birth is: Oceanside, Long Island, N.Y.
My greatest accomplishment outside the comics field is: Looking like a nun.
My oddest habit is: Nuns don't have *odd* habits — they have *old* habits — sometimes funny looking habits — lately no habits at all — and besides it's none of your business.
If they were making a movie of my life, I'd like to see my part played by: Mary Astor, but she died — so I'd settle for Michael Jackson.
The reason I got into comics was: I was too chubby for the Radio City Rockettes.
People who knew me in High School thought I was: Delightful.
My favorite performers are: The Kukla Fran and Ollie people — the Jim Henson people — the Rockettes and Michael Jackson.
The last good book I read was: *THE NATURAL HISTORY OF NONSENSE* — Evans.
The last good movie I saw was: *BABY BOOM*
The biggest influences on my work include: Past exposure to good children's books, past overexposure to movies — present underexposure to TV.
My greatest unfulfilled ambition in the comics field is: To play spoons on Ralph Macchio's head.
The worst part of my job is: Erasing.
When nobody's looking I like to: Look at people.
The one thing I want the world to know about me is: To know me is to love me.

Dear MUPPET BABIES,

I like to read your comics. I liked the one called "The Spy in Striped Socks!" (#16) because Piggy said, "Welcome to the World Secrets Convention! I am your hostess, Mata Piggy!"

I'll keep on reading MUPPET BABIES

Jocelyn Ward
San Francisco, CA

Good analysis, Jocelyn. . . and a wise decision! (And don't worry—we'll keep reading your letters, too!)

Dear STAR,

I have all your MUPPET BABIES comics. My favorite character is Fozzie, but why does everybody throw tomatoes at him? I *like* his jokes!

Oh! Would you make the Babies meet ALF?

Joshua McMahon
Davenport, IA

Ahem! Everyone paying attention? See? Someone does like Fozzie's jokes! Thanks, Joshua, for writing

Now, as for Alf. . . you mean that kooky, wise-cracking, funny alien from Melmac? The outer-space egomaniac who stars in his own evening TV show—plus a Saturday morning cartoon? Okay, we'll do it! In fact, we *recommend rushing* to your [redacted] newsstand or comics shop—you'll find ALF #3 on sale now!!

Dear STAR Comics,

I enjoy your MUPPET BABIES comics. I have an issue called "The Dinosaur Party" (ish #17). My favorite characters are Piggy, Kermit, Gonzo, and Fozzie. I have to go now, but I like your comics!

Michelle Volk
Portland OR

And we liked *your* drawing, Michelle. That's a ve-ry interesting interpretation of Nanny's face! (Anybody else have an idea what Nanny looks like?)

Dear Guys,

How come Fozzie goes wocka-wocka in the comic, and goes wocka wocka-wocka in the show? And in #9 of Muppet Mail a girl named Kerry Kristine O'Keefe said Bunsen does not talk—you should at least have told her Bunsen talks

But otherwise your comic is great. The artwork is great and the stories are great.

Rene Vandervel
Ontario, Canada

P.S. Say hi to my best Muppet Baby, Fozzie. Please, to make me happy? To make me happier, answer my questions!

You're absolutely right about Bunsen—it's *Beaker* who doesn't speak. Don't weep us out, okay?

Happy?

Dear STAR,

I love MUPPET BABIES comics. I liked "Company Hall" (#17), when Piggy goes into the beauty business. My favorite one is Gonzo. He's the funniest one of them all!

Anni C. Evans
Seguin, TX

P.S. Keep on making those comic books!

Your wish is our command!

Dear STAR,

I just read issue #16 of your MUPPET BABIES, and it was great. I have a suggestion for a future issue. . . how about an "Alfred Hitchcock" issue?!? For example, you could have "The Frog Who Knew Too Much" or something like that. At the beginning, you can have Gonzo step into a simple "Hitchcock-type" caricature.

Donavan Girard
Baker, NV

P.S. Psycho Muppets???

Well, you may not have noticed, but MUPPET BABIES already has a definite Hitchcock-ian flavor—Laura Hitchcock, that is! She's the writer of MUPPET BABIES, and also, our esteemed assistant editor! How does she manage to do so much? Uh, let's just not mention the word "psycho," okay?

Dear STAR,

I *love* MUPPET BABIES! Baby Piggy is my favorite Muppet. Kermit is second and Scooter is third. Please tell Piggy she is beautiful!

Oh. I forgot. I gave a toy pig to my ballet teacher as a gift. Her name is Lois. I say she is Piggy's cousin. I also say she danced in "Swine Lake" with Piggy!

Keep up the good work!

Becky French
Ossendreoechi
Holland

Wow, Becky! When your next ballet recital comes up, we'll bet you're *pigged* for the lead!

Dear STAR,

This is the first time I have purchased a MUPPET BABIES comic book. I was surprised—I thought it would be something too silly to be funny. But it was great! The dialogue was the best. The drawings were great. Hats off to Marie Severin for some of the cutest Muppet Baby pictures! I purchased #16, with the stories "The Spy in Striped Socks" and "The Big Mess-take." I loved both stories. Their imaginations are what makes them seem life-like. Laura Hitchcock writes very good dialogue.

Someday I hope to have my own cartoon and have good artists and writers work for me like you do.

Steven Fletcher
Belmont, WV

How about letter columns? Do you need a letter column writer?

Dear MUPPET BABIES,

My name is Thalia, and I just love MUPPET BABIES cartoons and comics!

I have a baby sister, whose name is Gabbrilla. She is 3 months old. I think when she grows up a little, she'll just love MUPPET BABIES, too, and I think she'll want to know why they don't show Nanny's face.

Well, never mind about that. I've wanted to ask you something for a long time. I would like to have a picture of Gonzo and his autograph. My sister Alexandra said, "I love Fozzie!" She says she wants an autograph of all the cartoon characters. Me, too!

Thanks!!

Thalia Campos
Houston, TX

P.S. I act like a baby at home, so can it be possible *I'm* one of the Muppet Babies? Bye!! (No, *buy* MUPPET BABIES comic magazine!!!)

About autographs, everybody. . . the Babies would love to sign their names—but they don't know how to write yet! Sorry.

(By the way, have you ever thought of writing jokes for Fozzie?)

If you know these colors, you already know how to play.

Kids, learning to play a Casio *MUPPETS* Keyboard is as easy as telling one color from another. No kidding.

With the EP-10 *BABY KERMIT* keyboard, you simply match the colors below the keys with the colors in its own music book. It's that easy. You get four preset sounds to play with—piano, flute, violin and fantasy. And then built-in rhythms with a tempo control to help you keep time. It even has a built-in tune to show you what it can do.

Our EP-20 *MUPPETS* keyboard —the one with *Kermit the Frog* and *Miss Piggy* on it—has a special Melody Guide that leads your fingers across the keys with flashing lights. You'll love the tunes—they're some of the *Muppets'* greatest hits. And you'll be able to play them using eight instrument sounds and 12 auto rhythms.

If you know the difference between red and green or blue and yellow, you already know how to play. And just as sure as *Kermit* is an adorable green frog, you know you're going to have fun.
